Compatible with any Zmodo smart hub

Smoke Detector

Detects smoke and alerts you with audible warning sounds and a phone notification.

Remote

Switch between Home, Away, Sleep, and Mute modes with one touch for instant notification management.

Motion Sensor

Alerts you when motion is detected using its infrared sensor.

Beacon

An emergency button for sending an alert for help to paired devices.

Siren

Configure buzzing, flashing, and audible alerts when other devices are triggered.

Door / Window Sensor

- Receive notifications when a door or window is opened.
- Newest door / window sensors include rechargeable batteries that can be charged with a charging pad.

Gas and Carbon Monoxide Detector

Detects carbon monoxide and other gas leaks and alerts you on your phone and with an audible buzzer.
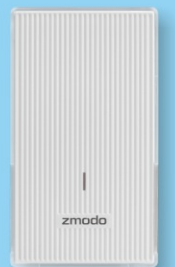

Zmodo accessories are compatible with all Zmodo hub devices. Pair with Beam, Pivot, Torch 360, and more. Configuring your sensors with a certain hub can allow for added features, such as having Pivot turn when the sensor is triggered, or having Beam flash its LED light. The possibilities are limitless.
