True Wireless

Snap has an internal battery, so you can place it anywhere indoors without worrying about running any power cables.

1080p HD

See video in crystal clear 1080p high definition. Snap lets you view live video whenever you want or review motion alerts in full resolution.

Wireless Charging

Receive a notification whenever your Snap needs to be recharged. Then, simply take it down and place it on the wireless charging pad to recharge the battery.

Motion Detection

Receive alerts on your phone when Snap detects motion. Alert clips are saved in the cloud for free for increased protection.

Battery Powered

Built-in rechargeable battery that charges wirelessly.

Night Vision

See what's happening in the dark up to 19ft with automatic IR lights.

WiFi Setup

Easily connect to your home network with the free app.

Smart Alerts

Receive mobile push alerts when motion is detected.

Low Battery Reminder

Receive a notification in the app when the battery is low.

Efficient Power Use

Energy-saving design lets the camera sleep when no one's around, and wake up as soon as motion is detected.

4x Digital Zoom

See a clear and detailed image when zooming in with the app.

Secure Mounting Bracket

Feel safe knowing your Snap is securely fastened to the wall.

Remote Access

Always stay connected with the ones you love.
