# Pan and Tilt Cameras

Monitoring with no blind spots

## 1080p Pan & Tilt Camera

### Big functionality, small size

The Pan and Tilt camera is packed with features, yet blends in seamlessly with your décor.

### Full range of motion

With a horizontal pan range of 350 degrees and a vertical tilt range of 70 degrees, a single Zmodo Pan and Tilt camera can monitor an entire room.

## Snap PT

### Full range of motion

With a horizontal pan range of 360 degrees and a vertical tilt range of 30 degrees, a single Zmodo Snap PT can monitor an entire room.

### Power on the Go

With a built-in battery, bluetooth speaker, and 8GB of storage, you can take your Snap PT with you when you need temporary coverage elsewhere.

1080p HD

View and record in 1080p high definition.

Night Vision

View clearly in the dark with automatic infrared LEDs.

Motion Detection

Receive alerts on your phone when motion is detected.

Two-way Audio

Talk and listen using the built-in mic and speaker.

Cloud Recording

Hold onto moments and share your clips with others.

Smart Hub Functionality

Pairs with Zmodo accessories for expanded smart home functionality.
