Replay

A simpler and smarter wireless solution for your home, inside and out

Enjoy wireless convenience

Built with a compact design and a long range WiFi antenna, the cameras can be placed virtually anywhere, as long as there is a power outlet nearby.

Set up easily in minutes

No complicated networking required. Just download the free mobile app, follow the in-app instructions, and complete your setup in a few minutes. Remote access has never been easier.

1TB hard drive installed for local storage

Record for up to 50 days with the included 1TB hard drive.

Be notified when something happens

Smart mobile alerts keep you informed when motion is detected. Notification schedules allow you to set quiet hours when you don't want to be bothered.

720p HD

View and record in 720p high definition.

WiFi Setup

Easily connect to your home network with the free app.

1TB Hard Drive

Record for up to 50 days with the included 1TB hard drive.

Weatherproof

The outdoor cameras are designed to withstand severe weather conditions.

HDMI Output

Enjoy crisp HD video as it was meant to be enjoyed: on your beautiful HDTV.

Smart Alerts

Receive mobile push alerts when motion is detected.

Night Vision

View clearly in the dark with automatic infrared LEDs.

Remote Access

Always stay connected with the ones you love.

Smart Recording

Smart recording mode saves up to 80% of your hard drive storage.

Share Device

Share your device with your family and friends.

Check out our Replay Pro versions - professional camera design with the same wireless convenience.
